Marc Gutman is the owner of WILDSTORY, a boutique storytelling studio, that helps visionary entrepreneurs and corporations tell their story in an authentic way. With over 20 years of experience, Marc has worked in Hollywood as a Story Editor for Oliver Stone, Disney, Warner Bros, and 20th Century Fox. This exposure has fueled influence to his storytelling approach. He is taking his storytelling from behind the scenes to the stage and demonstrating the irreplaceable value it brings to businesses and why having a story is a powerful tool to create profit, impact, and trust with your audience.
